

Directory Listing Only Terms & Conditions

DIRECTORY-ONLY BUSINESSES | No DM community access | Proposed effective date: Jan 1, 2027

1. Nature of the product

Directory Listing Only is a paid business listing service offered by Designers Meet (“DM”), not a Vendor Membership or Partnership. Approval allows the business to appear in the private Vendor Directory accessible to approved, logged-in designers within the Designer Portal. The directory is not public.

2. No access to the community

A Directory Listing Only purchase does not grant attendance at regular DM Meets, access to designer chats or community spaces, member rosters or contact databases, event hosting, partnership recognition, exclusivity or other vendor membership privileges.

Purchasing a listing cannot be used to bypass DM's vendor membership requirement for community access.

3. Application, review and content standards

Listing applications are subject to DM approval. Businesses must submit accurate company name, categories, service region, description, contact details, website, logo and any requested credentials. DM may request changes, decline unsuitable content, or remove misleading or infringing material consistent with applicable law.

The business represents that it owns or has permission to use all supplied images, trademarks and descriptions.

4. Profile management and access permissions

Approved listing businesses may access their own Vendor Portal account to update their own listing, subject to moderation. They cannot browse the private designer-facing directory, see designer member records, export contacts or access other vendors' private accounts.

DM may set reasonable profile fields, image limits, category standards and publication review periods.

5. Listing placement and no guaranteed results

DM does not guarantee profile views, ranking, impressions, referrals, sales, inquiries or any business outcome. Listing inclusion is not a DM endorsement, certification or recommendation. DM may organize the directory using transparent categories, search and filtering rules.

6. Pricing, term, renewal and cancellation

The listing fee, term, renewal date, payment schedule, taxes, cancellation method and any refund policy must be displayed and accepted before checkout. Any suggested 2027 listing price—including a previously discussed \$290 annual amount—remains unapproved until DM confirms it in writing.

Any recurring charge requires a separate, clear opt-in authorization meeting applicable law. A cancellation of future renewal does not itself establish a right to a refund for the current listing term; the final published refund policy and applicable law govern.

7. Conduct, privacy and communications

Listing businesses must follow the universal DM Code of Ethics and applicable laws. They may not harvest, scrape or redistribute member data, misrepresent an affiliation with DM, or use directory participation to send unsolicited mass promotional messages.

8. Suspension, removal and expiry

DM may temporarily hide, correct or remove a listing for material inaccuracies, intellectual-property concerns, nonpayment or violations of these Terms, subject to applicable law and fair review where appropriate. At the end of a paid term without renewal, the listing may be unpublished.

Refund rights, if any, are determined by the approved written listing purchase terms and applicable law.

9. Upgrades to vendor membership

Listing businesses may apply to upgrade to a paid Vendor Membership. An upgrade is not automatic; DM must approve it and disclose the applicable fees, new term, access rights and any credit for unused listing time before charging.

10. Changes and legal details

DM may update directory formats, profile fields and published policies prospectively with reasonable notice where appropriate. Insert the legal entity name, official contact details, effective date and counsel-approved Florida terms before publication.

11. Directory applicant acknowledgment

I am authorized to apply for this business; I certify that the listing information is accurate and that I have rights to submitted content; I accept the Directory Listing Terms and separate DM Code of Ethics; and I understand that the purchase provides listing visibility only—not community access, vendor membership, guaranteed referrals or exclusivity.
